Students who receive CLEP credit in a subject and choose to repeat that same course at Grove City College, or at another college/university, are subject to Grove City College's repeat course policy and will lose the CLEP credit originally awarded for the course.

CLEP tests taken after matriculation to Grove City College will not be considered for transfer.

The ACE Recommended Score is used to determine GCC course equivalents.

NOTE: College policy does not permit Cambridge credit to be used to satisfy any of the Humanities course requirements.
